**Audio Recordings of Ninth Circuit Oral Arguments**

Audio files of oral arguments before the Ninth Circuit are now available online through this website. New files will be available for download the day following oral argument. The web page contains instructions for accessing audio by the date of oral argument or by the case docket number. The Microsoft Windows Media Player is required in order to listen to the audio files. The web page contains a link to the download site for this free software.

All cases argued before the Court since January 2004 are included. The audio files will be maintained for three months on the web page.
